Dear Sue,

Newburn Volleyball Club: Volley 2 Accreditation

Congratulations to you and all members of Newburn Volleyball Club for achieving Volley 2 accreditation. By achieving this recognition of operating standards, Newburn joins an elite group of volleyball clubs who have progressed above and beyond the baseline of Volley 1 accreditation. Volley 2 is a highly prestigious award, and Volleyball England recognises this as a major achievement for your club!

Enclosed is your original Volley 2 folder and your certificate, complete with new look branding! Your Volley 2 development grant has been processed and is enclosed with this letter.

Through accreditation Newburn will be able to access additional benefits from Volleyball England in the upcoming months that will help the club to sustain and grow further. I will keep you updated as these come up.

We wish you the very best of luck with all activities related to the development of your club, if you have any further questions with regards to either development grants or any other queries please do not hesitate to contact me.

Best wishes,

Kate Rothery
National Club Development Officer
Volleyball England
